For single phase version Parameters

Technical Specifications		
Model		
Power (kW)		
Capacity (liters)		
Dimensions (H x W x D)		
Weight (kg)		
Installation type		
Flow rate (liters per minute)		
Water pressure (bar)		
Water temperature (°C)		
Gas pressure (bar)		
Energy efficiency class		
Annual gas consumption (kWh)		
Annual electricity consumption (kWh)		
CO ₂ emissions (kg/year)		
Warranty (years)
